Once a Raider... Always a Raider

Parents/Guardians of RMS Junior High students:

It appears that winter is once again upon us. For many, with the first snowflakes inevitably come thoughts of hitting the slopes for some exhilarating skiing or snowboarding. Mr. van den Bijgaart and Mr. Haugjord have decided to run the RMS Junior High ski trip to Jasper as a compliment to our Physical Education and Environmental & Outdoor Education programs. This year's trip will be a day trip organized through Magic Bus Adventure Tours Ltd. on Friday February 15, 2019. On the reverse side of this letter we have attached an itinerary for the day's activities as well as the associated costs for the excursion. Cost to students is \$132.00 including transportation, lift ticket and lesson. A \$85 non-refundable deposit is included in your price. There will be an additional charge of \$24.00 for those students requiring rental equipment (either skis or snowboards).

For this year's ski trip, we will be limiting the number of participants to 40 students who will be accompanied by 4 adult supervisors. Due to the limited number of spaces available, spots will be allocated on a first come, first served basis to those students returning all completed permission forms, waivers, and full payment paid online. **Students wishing to participate in the trip must have school fee accounts that are in good standing. Additionally, students must have a consistent record of positive behaviour throughout the school year thus far.** In addition to Mr. Haugjord and Mr. van den Bijgaart, we wish to have 2 parent volunteer supervisors who will accompany us at no cost. If you are interested in participating as a volunteer supervisor, please complete the information below and **we will contact you** in the near future. Should you have any questions or concerns, please feel free to contact either of us here at the school.
