Year End Celebration Hanging Basket Fundraiser

Riverview Middle School annually plans a wonderful year end celebration in conjunction with Aboriginal Day for our awesome students. To do this we plan a full day of fun, activities for all students in all grades.

We have partnered with Creekside Garden Center to create this fundraiser for you. The funds from this fundraiser will go towards covering the costs of our special year end celebrations for all students.

Here's how it works:

Once you have been given your voucher you just drop by Creekside and choose from an array of hanging baskets. **Baskets can be picked up as early as May 1** and all spring, as long as they are available. The sooner you pick up the basket the better selection for you. **Remember they can also be replanted into planters as well.**

On the attached form each student who has sold hanging basket vouchers should list the name of the purchaser and the amount that person paid. Also ensure you mark down how many that person may be purchasing. You will later have to deliver the hanging basket vouchers to those who ordered once you have them.

Hanging Basket voucher's will be available for \$35 and will be sold only from March 5 - April 7. Cheques should be made payable to Riverview Middle School or RMS. Online payments will not be available for this program. Vouchers will be delivered to students on April 27th .

Completed forms can be turned into the office once complete.

Please remember you are helping support all RMS in the organization and securing of events our students.

*****Mother's Day will be just around the corner when the baskets are ready*****

Sincerely,
RMS
